## Ice cube tray AC40

- Silicone ice cube tray, 21 cubes of $3 \times 3 \mathrm{~cm}$.
- $100 \%$ silicone. Hygienic and healthy, complied with LFGB standard.
- Fully flexible, paraffin mould, for and easy demoulding.
- Protective cover, allows stacking, avoids spills, isolates completely, makes it easy to make cubes with lemon, orange, mint, and make cubes of coffee, for cocktails or to take sauces from our stews to improve other cooked ones and even chocolates.
- Suitable for the oven, microwave to defrost and dishwasher.
